WHAT IS AN EID TOY DRIVE?

Each year, during the month of Ramadan, Islamic Relief USA volunteers host Eid Toy Drives across the country for Eid Al-Fitr. Hundreds of amazing volunteers and donors come together to collect and wrap toys, and make Eid cards for children in need in their local communities. Once the toys are collected, Islamic Relief USA works with partner organizations who serve children in need to distribute the toys on the day of Eid.

WHO ORGANIZES THE EID TOY DRIVES?

The Eid Toy Drive is a volunteer-run project from start to finish! It’s an amazing way volunteers get involved year after year to benefit children in their local communities. Volunteers plan a day that works well for them, contacts community members, establishes a venue, and manages the drive from start to finish with help from our Islamic Relief USA staff.

WHO RECEIVES THE TOYS?

Islamic Relief USA works with other nonprofit organizations across the country to distribute the Eid toys collected during the drives. Some organizations work with refugee children, others work in impoverished communities, and all of our partners for this project work with children who may not be able to afford the toys they want this Eid. Islamic Relief USA distributes toys to children based on the need, and we do not discriminate for any reason, including faith. If you have an organization in mind who works with children who you feel could benefit from toys this Eid, let us know!

HOW CAN I ORGANIZE AN EID TOY DRIVE?

Are you a part of a community that would love this type of project? We’d love to have you as a volunteer! If you already have a place and date in mind, go ahead and submit an application! Feel free to contact us if you are interested and would like more information, we’ll get back to you with all of the details, including tips on how to plan a successful Eid Toy Drive!
